## **Personal Information Collection Statement**

### **Statement of Purpose**

The Hong Kong Technology Advancement Group (HKtag) respects the privacy of individuals. We do our best to ensure the collection, usage, storage, transfer and disclosure of your personal data according to the Personal Data (Privacy) Ordinance. We ensure that our association complies with the requirements of this Statement and the Privacy Policy Statement. This Statement explains our policies and practices on handling personal data.

### **Purpose of Collection**

Your personal data will be used for the purposes related to the participation in different programmes and activities, the issuance of receipts, collecting user feedback and conducting analyses. We may send any promotional news and information related to the programmes, activities, courses, and services of HKtag to you using the contact information you have provided. If you do not wish to receive the promotional news and information related to the HKtag, you may indicate your objection to us anytime. Please note that it is mandatory for you to provide personal data marked with asterisks (\*). In the absence of your complete and accurate personal data, we may not be able to provide you with the services you required, or it may also result in being deferred or rejected.

### **Transfer data**

The personal data you provide will be made available to persons working in the association or persons designated on a need-to-know basis. HKtag does not rent, sell, transfer, or disclose your personal information with other people or non-affiliated companies except under the following circumstances: i. any agent, contractor or third-party service provider who provides administrative, telecommunications, computer, or any other services to HKtag in connection with the operation of its business; ii. the services requested by you is provided by the person or company concerned; iii. with your prior consent; iv. we believe that it is necessary to share information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, or situations involving potential threats to the physical safety of any person; v. to satisfy any applicable law, regulation, legal process, enforceable governmental request and administrative requirements.

### **Access to and Update Personal Data**

You should update your personal information with us shall there be any change; otherwise HKtag may not be able to provide the services you request. You can make your request by completing the Data Access Request Form (OPS003) available from the Office of the Privacy Commissioner for Personal Data (<https://www.pcpd.org.hk/english/publications/files/Dforme.pdf>) and/or submitting the request in writing; and sending the details to [event@hk-tag.org](mailto:event@hk-tag.org). When such requests are made, HKtag will check the requestor's identity to ensure the requestor is legally entitled to make the data access or correction request. Your request will be answered in 2 weeks.

A fee may be charged for complying a data access request. HKtag shall or may refuse to comply with a data access request in the circumstances specified in section 20 of the Personal Data (Privacy) Ordinance, for example, the requestor fails to provide necessary information to HKtag.

*Hong Kong Technology Advancement Group (HKtag), as the Organiser of "Smart Campus X InnoTech Taster Program", has all rights reserved in regard of this initiative and is the final decision maker to all results and revision made according to different arrangements for this event.*
